

## DEPARTMENT OF WORKFORCE SERVICES

2017 Strategic Goals 

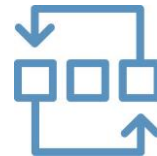

# Department's Mission

We strengthen Utah's communities by  
supporting the economic stability  
and quality of our workforce  
now and for the future.

# Department Goals

1. Aligning workforce development strategies with industry and employer needs.
2. Supporting the development and implementation of the state's affordable housing and homelessness plans.
3. Creating and activating the Utah Data Research Center.
